More Info

#1 in Applicants Today

Since beginning my journey as a developer nearly 1 years ago, I'm quietly confident, naturally curious, and perpetually working on improving my chops one design problem at a time.

EDUCATION:

BTech, Computer Science

TSARR.IN 2022-2023

Cofounder & Developer

Agra

- Tsarr.in was a documentary and video streaming platform that linked to the best documentaries and videos from all over the internet. It was a one-stop shop for documentary lovers, providing them with a wide variety of content to choose from. Whether you were interested in history, science, nature, or culture, Tsarr.in had something for you.
- Tsarr.in was completely free to use and was made in WordPress. This meant that anyone could access the platform, regardless of their financial situation. The fact that it was made in WordPress also made it easy to use and navigate.
- Tsarr.in had both a website and an Android mobile app. This gave users the flexibility to watch documentaries on their computer, tablet, or smartphone. The app was also very user-friendly, making it easy to find and watch the content you were interested in.

Academic projects

- **Adventure Quest Game With Mario Theme**
 - Adventure Quest is a lighthearted and humorous browser game.
 - Players must make crucial decisions that shape their fate.
 - The game is filled with laughter and unexpected surprises.

Achievements

- My streaming platform Tsarr.in got 10000 impressions.
- Work in an international hackathon.
